

Native Hawaiian LEGAL CORPORATION

Law Student Opportunities

The Native Hawaiian Legal Corporation (NHLC) is the only non-profit, public interest law firm that focuses on Native Hawaiian rights law. NHLC provides low cost legal help to families and communities engaged in perpetuating the culture and tradition of Hawai'i's indigenous people.

NHLC accepts law student volunteers and interns year-round depending on limited space availability.

Pro Bono & Volunteer Hours

Students may complete all or a portion of their pro bono graduation requirement or scholarship community service hours at NHLC.

Summer Internships

NHLC does not have a deadline for summer internships, but due to limited available space to accommodate summer interns we encourage students to contact us early. NHLC is not able to compensate summer interns, but will accommodate students that apply for APIL and any other student grants.

Please submit all inquiries to NHLC's Executive Director, Moses Haia, at info@nhlchi.org. Please attach a cover letter and resume.
